

The HighScope Preschool Curriculum

4th Edition (2012, with components from 2016-2018)

The HighScope Curriculum is a state-endorsed Prekindergarten curriculum (ages 3-5), aligned with the 2013 Early Learning and Development Standards (RIELDS).

HighScope offers a comprehensive, research-based curriculum carefully designed to provide a rich academic foundation and foster child creativity, confidence, and independence. The curriculum includes defined teaching practices that enable adults to create engaging classrooms where children learn through active participatory learning. HighScope's unique incorporation of the plan-do-review process, support in developing conflict resolution skills, and focus on adult scaffolding produces an early learning environment where all children thrive.
